PRESS RELEASE: FOR IMMEDIATE RELEASE

STARTS

**SAVANT LIMITED WELCOMES JANE PINK, FORMER DIRECTOR AT NCC GROUP, AS BUSINESS DEVELOPMENT EXECUTIVE.**

Savant, a leading software development organisation welcomes the appointment of Jane Pink to strengthen their business development team. Jane has over 20 years experience in the IT Services industry encompassing programming, design, testing, business development and business management. Jane will work both on the promotion of Savant's new products, such as MobileRanger, and with existing products and clients to extend and enhance Savant's offerings.

**Jane** said "Savant have an innovative range of products and an excellent team. I am looking forward to working with them during this next exciting phase of their development as we look to expand our product portfolio and client base."

**Glyn Jones, Business Development Manager at Savant Limited** stated "We are very happy to welcome Jane to Savant. Jane brings with her an experienced and dynamic approach, which will help us better realise the potential of our products, services and staff."

ENDS

**Editor's Notes**

Savant Limited has been implementing innovative IT solutions for the last 25 years, including the PULSE project which keeps the nation's blood flowing 24/7 on behalf of NHS Blood & Transplant.
